

mysociety.org ePetitions

Under the Local Democracy, Economic Development and Construction Act 2009, your council **must** have an e-petitions facility by **15 December 2010**.

How can mySociety help?

mySociety ePetitions is a powerful system that can be tailored to your authority's requirements.

- **Compliant:** our system meets the requirements set out in the Act
- **Externally hosted:** we take care of data security and software upgrades for you
- **Branded:** we will match your website design
- **Compatible:** our system is guaranteed to work with yours
- **Simple:** web-based, user-friendly admin interface
- **Flexible:** we understand councils vary, and our system can adapt to your needs

And it's cost-effective: our fee is **only £1,999+VAT** per year, and we don't charge for the initial set-up.

Check it out: Contact hello@mysociety.org
or **020 3239 0725** to book a free walk-through demo

mysociety.org

Our current e-petitions clients include:

- 10 Downing Street
- Lichfield DC
- Surrey CC
- Elmbridge BC
- Epsom & Ewell BC
- Guildford BC
- Mole Valley DC
- Reigate & Banstead BC
- Runnymede BC
- Spelthorne BC
- Surrey Heath BC
- Tandridge DC
- Waverley BC
- Woking BC

Book us to visit your offices - at no cost - to show you how the system works. Please contact hello@mysociety.org or **020 3239 0725**.

We are the award-winning market leaders: Our No 10 Downing Street Petitions website won the Modernising Government award at the New Statesman New Media Awards 2008.
